Strategic Plans

Share This:

Review the FDIC's strategic plans and its performance.

- [2022-2026 FDIC Strategic Plan](#)

The long-term strategic goals and objectives for carrying out its core mission responsibilities for insuring depositors, supervising insured institutions, and resolving the failure of insured institutions.

- [2024 Annual Performance Plan](#)

The specific annual performance goals, indicators, and targets for each of the FDIC's three major business lines - Insurance, Supervision, and Receivership Management.

- [Chief Data Officer](#)

The person responsible for implementing the FDIC's data strategy.
